POSTAL REGULATORY
COMMISSION
U.S. DEPT. OF JUSTICE

Dear Mr. Kubayanda:

I am writing to beg the Commission to fire Louis DeJoy. His policies have been a total disaster for the mail system in this country. The excoriation of mail processes during the election of 2020 were heart-breaking; and now, the future plans he is proposing are Draconian and are causing great concern.

As a retired senior citizen, I am dependent on medications which are mailed to my home in a timely manner. Also, I recently have experienced bill payments not being on-time to vendors and having to appeal late charges. It is of utmost importance that efficiency be restored.

As I am sure you would agree, the American public deserves better outcomes from the postal service than we have recently experienced with Mr. DeJoy at the helm. I have great hope that you and the Commission can restore the reliability that the citizens of this country need and deserve.

Thank you for your service.

Sincerely,

Barbara J. Belina
